SFI/Biomass Coordinator

Neiman Timber Company L.C. is seeking a SFI/Biomass Coordinator located in Spearfish, South Dakota. Duties for this position include; update current SFI standards and guidelines, obtain third party certification, develop a landowner outreach program, conduct BMP audits, promote the Central Rockies Sustainable Forestry Education Program(CRSFEP), coordinate in-woods biomass removal, and procurement /administration of stewardship contracts.

For full consideration, the following experience is desired in the applicant:

- Demonstrated knowledge and experience with SFI program
- Independent program development and planning experience
- Draft management plans and timber sale appraisals/proposals
- Timber sale administration and negotiation skills
- Awareness and participation in forest policy and legislation
- Involvement with local, regional, and national organizations reflecting the benefit of our industry

This position requires a minimum of a Bachelor's Degree in Forest Management or a natural resource related field with at least 5 years of experience. Salary based on experience and qualifications. We offer a competitive compensation package, as well as a broad range of benefits including medical insurance, dental insurance, prescription drug plan, life insurance, and 401k retirement plan.

Neiman Timber Company, L.C. is a third generation family owned wood products company with sawmills in Hulett, Wyoming, Spearfish and Hill City, South Dakota. Our mills are supplied with logs from the Black Hills of Wyoming and South Dakota, southeast Montana, and Nebraska. For more information visit our website at www.neimanenterprises.com

Applicants should submit a resume no later than **July 17th, 2009** to Neiman Timber Company L.C. via email to danb@rapidnet.com. For more information on this position, please call Dan Buehler, Resource Manager at 605-642-7741 ext 115.
