2027 INTERNSHIP OPPORTUNITIES

FORESTRY INTERN

JOB DESCRIPTION

At Sierra Pacific Industries, you'll do more than study forestry. You'll gain hands-on experience managing working forests while learning from experienced foresters. Our internship is designed to complement classroom learning by providing meaningful field experience, exposure to sustainable forest management, and opportunities to contribute to real projects that support long-term forest health and productivity.

This is a field-based internship. Forestry Interns spend the majority of their time working outdoors alongside forestry professionals in active timberlands. Interns should be prepared to hike on steep and uneven terrain, work in varying weather conditions, and perform physically demanding fieldwork.

SPI Forestry Internships may provide opportunity for employment upon graduation. Completion of an internship is not a guarantee, nor an offer of employment.

The Forestry Internship position may include:

- Timber cruising
- Sawmill log procurement
- Timber Harvest Plan (THP) preparation
- Logging administration
- Harvest unit layout
- Wildlife & botany work
- GIS
- Road layout
- Reforestation

QUALIFICATIONS

- Must be continuing school in Fall 2027, pursuing a degree in Forestry, Natural Resources, or significantly related field.
- Interns must be able to cross-country hike and negotiate steep, brushy terrain.
- Must have a valid driver's license and ability to navigate a 4-wheel drive vehicle along off-highway roads.

BASE LOCATION

CA: ANDERSON, BURNEY, CAMINO, CHICO, SONORA, WEAVERVILLE
OR: EUGENE
WA: BURLINGTON

Employment Period: May/June - August/September (Flexible start & end dates)

Compensation includes competitive hourly wage ranging $21-23/hr and housing allowance for qualifying individuals.

APPLY ONLINE

Applicants must provide a cover letter and resume when submitting an application.
