

Sierra Pacific Industries

Forestry – Wildfire & Fuels Specialist Oregon Forestry District Eugene, OR

We are seeking a qualified **Wildfire & Fuels Specialist** to assist in implementing fuels reduction projects on Company lands, support of wildfire response and coordination efforts between Company and fire response agencies and assist in implementing a joint fuel break program with the United States Forest Service across Oregon and Washington timberlands. This position would be based at our division in **Eugene, Oregon**.

ABOUT THE POSITION

- Development, implementation, maintenance and support of fuels reduction projects on Company lands
- Relationship enhancement with local fire agency representatives
- Support and coordination of Company on wildfire response, engagement and training
- Administration contracts, including oversight of mechanical harvesting and fuels reduction contractors
- Project area flagging and layout
- Contractor development, scheduling and planning
- Monitor quality control guidelines and ensure contract compliance
- Collection, maintenance and reporting of production and cost data
- Effectively and professionally interact with private contractors, company employees, federal, state and local agencies
- Work in support of the Company's goals and objectives
- Work independently and safely in mountainous terrain and all-weather conditions

QUALIFICATIONS

- Degree in Forestry, Fire Science or significantly equivalent experience is required
- Minimum of 5 years of experience that includes: harvest or fuels reduction supervision, contract administration, and general forestry and fire related work
- Understanding of harvesting, fuels reduction and fire operations
- Proficient computer skills, including Microsoft Excel and Word
- Excellent written and verbal communication and interpersonal skills
- Proven to be a reliable self-starter with a strong work ethic and safety conscious
- Possess a valid driver's license and able to navigate remote areas

WHY JOIN OUR TEAM
