

Sierra Pacific Industries

Procurement Manager Aberdeen, WA

The successful candidate will be responsible for implementation of cost-effective log and timber procurement program to sustain multiple sawmills in **Aberdeen, Washington**.

ABOUT THE POSITION

- Manage a team of log buyers to successfully identify timber and log acquisition opportunities, appraise, and purchase logs/timber from both private and public sources
- Manage a log sales program of logs that are excess to mill needs
- Effectively and professionally interact with private landowners, federal, state, tribal and local agencies
- Work together with key staff in support of Company's goals and objectives in a fast-paced team environment
- Manage the procurement program to produce a cost-effective, smooth and reliable, flow of raw materials
- Develop and maintain the Log Plan with monthly forecast updates
- Administer timber sale contracts, including oversight of logging and road building contractors
- Effectively hire, train, supervise, and mentor local procurement team as well as coordinate, assign, monitor and review work of team members
- Work with Company Check Scaler on log quality issues at internal and external locations, and provide oversight of third-party log scaling program
- Monitor log utilization and quality control guidelines
- Conduct monthly physical log deck inventory and jointly manage operation of the log yards with mill staff
- Participate in local timber issues and industry associations as needed
- Work independently and safely in mountainous terrain and in all-weather conditions

QUALIFICATIONS

- Minimum 7 years' experience in log and stumpage valuation in Western forests
- Experience managing a log procurement program or similar type position preferred
- Degree in Forestry, or related field preferred
- Experience that could include log procurement, log marketing, cruising, logging supervision, contract administration, or harvest unit layout
- Demonstrated skill in leadership, communication, motivation, and people management
- Proficient computer skills including Microsoft Excel and Word.
- Proven to be a reliable self-starter with a strong work ethic and safety conscious
- Must have a valid driver's license and able to navigate in remote areas
- Proficient in Microsoft Excel and Word
