2027 INTERNSHIP OPPORTUNITIES

REFORESTATION INTERN

JOB DESCRIPTION

Selected interns help SPI's Reforestation Professionals to implement the establishment and maintenance of our planted forests to ensure they flourish and produce high quality timber products for our sawmills. The Reforestation Intern's primary duties include: aiding in area layout and preparation, vegetation cover assessments, stocking surveys, and plantation thinning administration.

Opportunities also include working with SPI's Vegetation Management Specialists to establish and maintain our fuel break network and landscape fuels reduction areas to ensure the protection and long-term health of our forests. Interns will also have the opportunity to spend time at our state-of-the-art Conifer Nursery & Seed Center and aid in our advanced tree improvement program. Working alongside professionals and pest control advisors in the field will provide a real-world foundation for continued education or a career in reforestation.

SPI Forestry Internships may provide opportunity for employment upon graduation. Completion of an internship is not a guarantee, nor an offer of employment.

QUALIFICATIONS

- Must be continuing school in Fall 2027, pursuing a degree in Forestry, Natural Resources, or significantly related field.
- Interns must be able to cross-country hike and negotiate steep, brushy terrain.
- Possess valid driver's license and have ability to drive on hazardous mountain roads.

BASE LOCATION

WEAVERVILLE, CA

Employment Period: May/June - August/September (Flexible start & end dates)

Compensation includes competitive hourly wage ranging $21-23/hr and housing allowance for qualifying individuals.

APPLY ONLINE

Applicants must provide a cover letter and resume when submitting an application.
