2027 INTERNSHIP OPPORTUNITIES

WILDLIFE INTERN

JOB DESCRIPTION

Qualified Wildlife Interns help manage the Company's forest lands in the California. Primary species being surveyed will be the Spotted Owl and American Goshawk. This position provides an excellent opportunity to observe spotted owls from many known sites. Last season, our crew documented over 800 spotted owl sites.

Duties may include, but not limited to:

- Support on-going monitoring of sensitive species.
- Forestry and wildlife-related project work requiring demanding physical activity, night-time hours, and off-road driving.
- Data entry
- Camping for up to four nights in a week.

QUALIFICATIONS

- Must be continuing school in Fall 2027, pursuing a degree in wildlife biology, forestry, or biological science.
- Interns must be able to cross-country hike and negotiate steep, brushy terrain.
- Knowledge of native wildlife species of California forests.
- Excellent communication skills.

BASE LOCATION

CA: ANDERSON, WEAVERVILLE, WESTWOOD

Employment Period: May/June - August/September (Flexible start & end dates)

Compensation includes competitive hourly wage ranging $21-23/hr and housing allowance for qualifying individuals.

APPLY ONLINE

Applicants must provide a cover letter and resume when submitting an application.
