SUMMER 2026

INTERNSHIP OPPORTUNITIES

WILDLIFE TECHNICIAN

JOB DESCRIPTION

Qualified Wildlife Interns help manage the Company's forest lands in the Sierra Nevada. Primary species being surveyed will be the California Spotted Owl and Northern Goshawk. This position provides an excellent opportunity to observe spotted owls from many known sites. Last season, our crew documented over 300 California Spotted Owls.

Duties may include, but not limited to:

- Support on-going monitoring of sensitive species.
- Forestry and wildlife-related project work requiring demanding physical activity, night-time hours, and off-road driving.
- Data entry
- Camping for up to four nights in a week.

QUALIFICATIONS

- College-level coursework in wildlife biology, forestry, or biological science.
- Knowledge of native wildlife species of California forests.
- Ability to safely hike & navigate alone in remote, steep mountainous regions using map, compass, & GPS.
- Possess valid driver license & have ability to drive hazardous mountain roads.
- Excellent communication skills.

BASE LOCATIONS

Compensation includes competitive hourly wage ranging \$19.50-21.50/hr and housing allowance for qualifying individuals.

- ANDERSON, CA
- BURNEY, CA
- SONORA, CA
- WESTWOOD, CA

EMPLOYMENT PERIOD

May/June - August/September (Flexible start & end dates)

APPLICATION DEADLINE

Applications open: **October 27, 2025**

Applications close: **February 16, 2026**

Interviews will be ongoing as applications are received.

Positions may be filled prior to deadline.

APPLY ONLINE

Applicants must provide a cover letter and resume when submitting application.
